Wichita Gymnastics Competition Withdrawal Form

All gymnasts are entered into competions *unless* you inform the gym otherwise. If your gymnast is unable to attend one of her competitions, this form must be completed and turned in to the front desk by the due date specified by Shannon.

TIP: It's a great idea to e-mail this form to team@wichitagym.com, Kirsten and Angie.

Late withdrawals: If a gymnast's family does not WITHDRAW from a meet on time, decides just not to go after the cutoff date, doesn't pay their WGBA account ASSUMING that they will NOT be entered (not a good assumption), or doesn't show up for the competition, you will be billed and responsible for all fees. If the gym enters the athlete because you didn't withdraw by the deadline, the gymnast account is billed for the meet and all fees associated with it, whether or not your athlete competes. Please stay responsible. Accounts must stay current to maintain a good standing in your WGBA membership and to compete in the Kansas State Gymnastics Meet.
