THE MEET OUR GIRLS PAGE

DEADLINE is December 18, 2017

This is a section in the Program Ad book that tells a little bit about our girls, and what their interests are outside of gymnastics. We need this information for ***all the girls on the team***, whether you are selling ads or not. Please attach a small photo or provide the most recent small school picture (1 1/2" x 2") with your daughter's name written on the back and the following completed form. **You may also email a picture and short biography. Emailed photos look better!**

Please hand completed forms and pictures to the front desk at WGC or **email the picture and information** to Justine Nightingale at jnightingale@cox.net. Questions - contact Justine at 316-655-1393.
