About WGC: Wichita Gymnastics has been serving recreational and competitive gymnasts since 1969. Our caring, loving staff will help your child build a positive self-image while developing coordination skills and healthy habits that will continue throughout their lifetime. In order to maintain consistency of instruction, classes at WGC run in four nine-week sessions during the school year and one session during the summer.

Becoming a member: You can join the WGC family for a \$15 yearly non-refundable registration per child. This is due for each gymnast upon registration, and your gymnast receives a WGC T-Shirt! After your first session, a \$10 deposit is required to reserve a spot for your child. The \$10 deposit will be deducted from your total tuition. We do not automatically enroll children for sessions. An information card must be filled out by a parent or legal guardian before children can participate in class. Please note: We'll add more classes if needed or cancel classes if not filled.

Payment: For your convenience, full or half of the cost of tuition is due on the first day of class. The other half of tuition can be paid on or before the sixth week of the session, which is Parents' Day.

Discounts: WGC offers sibling and multiple class discounts.

Missed classes: Remember during the school year we offer a make-up day for consistency and to avoid overcrowding classes.

Parents' Day: When children are watching, waving and worrying about you, they cannot be learning from us. We ask that parents wait in our waiting area while class is in session. However, we have a special Parents' Day where family and friends are welcome to watch and take photos. Full payment is due at this time. You may also sign up for the next session during Parents' Week by paying your \$10 deposit. This guarantees your child's spot in the next session.

Inclement Weather: Please see the website, Facebook page, or give us a call to see if your child still has class during bad weather.

General WGC rules and guidelines: Please see inside the newsletter for tips on what to wear and much more! If you ever have any questions, please call us at 634-1900.
